January: Top 10 New Year's Resolutions

The winter season is upon us. We hope that everyone had a great Christmas and holiday season. A new year brings on New Year's resolutions. We have compiled a list of the top 10 resolutions for 2018. (OK we really didn't come up with this list on our own—Thanks Google.com).

10. Get Organized

Clean out your golf bag; separate the tees from the balls and cash in all of the loose change you find.

9. Help Others

Golf tips count as help, even if the other players in your group don't want to hear how the latest article in Golf Digest has taken 11 strokes off your game.

8. Learn Something New

The Rules of Golf? How to get up and down from behind #6 green? When to press? All of these would count.

7. Spend Less, Save More

Play more at Lexington, one of the best golf values around.

6. Fall in Love

The game of golf is a game for your lifetime; one to be played, practiced, shared and thoroughly enjoyed. What's not to love?

5. Enjoy Life More

This one is easy... just play in more of the games at Lexington. Join the LMGA for weekend events or sneak out of work any day of the week as we always have something going on.

4. Quit Smoking

Do they mean when you miss a three footer for a skin and your head feels like it's going to blow up?

3. Loose Weight

Is there a better way to do that than to increase your activities? Like playing more golf or practicing more often? (Also time spent playing is less time spent eating).

2. Get Fit

Again more golf. Is there any other sport that requires every muscle in your body to be used? Or do they mean get your lie angle measured?

Either way we can help you keep this resolution at the Lexington Golf Club.

And the number one New Year's resolution is

1. Spend More Time with Family and Friends

Golf is the answer again! We have seen a tremendous number of golfers play in daily games and really have a great time. New friends and new friendships are being made everyday. Also our family oriented specials (like children playing for free after 1:00 pm on weekends and holidays) make playing golf at Lexington one of the best ways to keep all of your New Year's resolutions (well at least most of them.)

Announcement

The LMGA is currently planning its next tournament. It should be played near the last weekend this month. Registration will be in the golf shop. We will also send out an email with the information.
